In August of 2007, Charles Morreale Jr. wrote me an email about his father experiencing the earthquake at Misamari, India. Charles Morreale Sr. (now 88 years old) wants to find other people who were there at the time. If you are one or know of one, please contact me and I will forward your message to Charles.

[editor's note: an earthquake rocked Assam, India about 11 p.m. on October 23, 1943].

This photograph shows Charles Morreale in front of the tower at Misamari airfield in the China-Burma-India Theater of World War II. According to a Wikipedia article on the [India-China Division](#), the

geographical coordinates of Misamari airfield are 26° 49' 01" North, 92° 35' 52" East.
